What Teachers Are Saying:

"My students were motivated from day 1 to the last day of school. That says a lot about this program. They challenged themselves as well as each other! The program was entertaining as well as educational." — North Texas Teacher

"I think it benefits kids not only in math, but reading and problem solving. It really enhanced my students' research skills as well." — North Texas Teacher

"I have been teaching for 24 years and it is the BEST program I have ever seen. It benefits the teacher, students and the school." — North Texas Teacher
